

Specification

Name	WonderCam Visual Module (WonderCam)
Processor	Kendryte K210
Image Sensor	OV2640 (200W Pixel)
Power Supply	5V
Working Current	300mA (Typical Current Value; Facial Recognition Mode; 100% Backlight Brightness; Fill light off)
Connection port	IIC
Display screen	2.0 Inches IPS, resolution 320x240
Built-in Function	Facial Recognition、Object Tracking、Object Recognition Visual Line Following、Color Recognition、QR code recognition、Barcode recognition、Tag Recognition
Product Size	52mmx44.5mm
Screen Size	41mmx31mm
Product weight	24g
